Spotlight on Year 5

We would like to say a huge thank you to all the year 5 children for their participation in the York trip last week. They all showed brilliant attitudes to learning and their behaviour was impeccable. We had lots of fun and the children have said that their highlights were; the ghost walk, movie night, York Minster, bowling, the chocolate factory and the Castle museum. Thank you parents for letting them come on this trip. It was a trip that we will never forget!

A note from the Headteacher....

Dear parents,

A great thanks to all the families who have designed and created such wonderful floral exhibitions for our school! The school grounds have been greatly enhanced by your efforts and I encourage parents and children to spend time looking at our children's and families creative skills!

I firmly believe that schools should teach our children the importance of looking after our world. Taking a shared responsibility for our school should be explained to our children and we have plans for all classes to be responsible for different parts of the school grounds. We just need a little sunshine and warmer weather to kick start spring!

On Wednesday, Archbishop Malcolm will be visiting school to participate in our Year 3 Easter reflection at 2.30pm. Our Year 3 children wrote to Archbishop Malcolm inviting him to attend and we were all thrilled when he accepted.

Finally, I have had reports of another incident where a parent has driven their car onto the pavement to drop off children and nearly hit several other children. I understand how difficult parking is around school but we must all prioritise the safety of every child.

Once again, wishing you a warmer weekend,

Mr P Bates

Curriculum News

Each week the staff will select one aspect of the curriculum the children have particularly enjoyed and share this with you. Please talk to your children about what they have been learning in school:

Reception	We have been working very hard this week on our sentences, we have learnt about finger spaces and capital letters.
Year 1	We have continued to learn all about plants. Zurg the friendly alien left us another message asking us to label parts of a plant.
Year 2	We have been retelling our own version of Farmer Duck using fabulous adjectives!
Year 3	There has been lots of practice this week for our Easter play in preparation for Archbishop Malcolm's visit next week!
Year 4	We have worked hard on practising for the Young Voices concert. Lots of children auditioned for solos which was fabulous!
Year 5	Please see Spotlight Work.
Year 6	We have been working very hard on our assessments.
