Spotlight on Year 4

This week Year 4 have been taking part in a science investigation.

Our question was 'which liquid evaporates the quickest?'

The children worked in groups, planned and completed their experiments independently.

We had a few disasters along the way but that is what science is all about!

Have a lovely half term holiday!

A MASSIVE thank you!

What a start to the week for me on Monday!

It started as one of my usual crazy suggestions in a staff meeting months ago and it's turned out to be a momentous moment in our school year. By walking to school not only did I kick off 'walk to school week' but **YOU** have raised an incredible amount for Alder Hey. We cannot thank you enough for your support and generous donations! The total is currently **£1589.25** with more donations still to be paid in!

A huge, heartfelt thank you!
Miss Williams.

Curriculum News

Each week the staff will select one aspect of the curriculum the children have particularly enjoyed and share this with you.
Please talk to your children about what they have been learning in school:

Reception	We have been learning about road safety and how to cross the road. We have also started to learn how to do yoga—very chillaxing!
Year 1	We have enjoyed designing, making and evaluating our emergency water proof show covers and we were excited when Barbour liked our tweet!
Year 2	We have finally written the ending to our wonderful 'Wind in the Willows' inspired story all about the adventures of Mr Toad.
Year 3	This week we have finally finished our adventure stories! We have also enjoyed tidying up the school planters!
Year 4	.Please see Spotlight Work
Year 5	We had our Amazon Rainforest debate using drama!
Year 6	PGL

St Anne's Arts Festival!

Tuesday 19th June, from 2.00 - 4.30pm

2.00pm onwards - Parents, grandparents and carers are asked to gather on the junior field. Please bring a picnic blanket to sit on, snacks, money for the ice cream van and make yourself comfortable!

2.30pm - The pupils of St Anne's will present to you an hour of music on the theme of 'HAPPINESS'. Each year will perform a song as a group, and there will also be a chance to see a selection of our school's talented musicians perform! The running order will be given nearer the time. Children will sit in their classes and watch the other children in the festival. They may also bring in money for an ice cream cone, as teachers will offer children the chance to purchase these once they have performed. Details of specific ice cream prices will be sent out via text nearer the time.

3.30pm - Children will return to class after performing, gather their usual belongings and be ready for collection by parents at the usual time, in their usual classroom places.

3.45 - 4.30pm - The junior hall will be set up in the style of an art gallery, where families can gather to view art work created by the children, also linked to the theme of 'HAPPINESS'. Both infant and junior work will be displayed for all to see, following on from our 'Art Afternoon' which all children will enjoy during school hours. This will take place:

Monday 11th June: Years 1 – 6

Wednesday 13th June: Reception

Parent volunteers will be more than welcome on this afternoon, simply write your name and chosen class on the list in the school office **by Friday 25th May.**

Please save the date and watch out for more information nearer the time. We really hope many of you will be able to join us for what we hope will be a celebration of the talented pupils of St Anne's; a variety of music and art and of course HAPPINESS!

Mrs Rawlinson and Mrs Hewitson
