Spotlight on Year 4

The Year 4 children were part of the amazing Young Voices Choir at the MEN Arena on Wednesday night. The children performed alongside a live orchestra, singers and over 6,000 children from other schools.

The children had been practicing the different songs and dance moves since September and thoroughly enjoyed the chance to perform in front of such a large audience.

School Council Matters....

Curriculum News

Each week the staff will select one aspect of the curriculum the children have particularly enjoyed and share this with you. Please talk to your children about what they have been learning in school:

Reception	We have been thinking about Chinese art and have been creating blossom pictures using lots of different media. Please look at our display in the infant hall.
Year 1	We have been writing a new version of Snow White and we are all amazing authors. We are also now ready for Monday's first dress rehearsal for our production.
Year 2	We have had a wonderful week writing our very own version of 'The Pirate Cruncher.' Today was Pirate Day—full of fun party games, map making and pirate designs.
Year 3	We have been working hard on our own versions of Stig of the Dump.
Year 4	Please see the spotlight work.
Year 5	We have started looking at lots of non-fiction texts including instructions, non-chronological reports and explanation texts. We are gathering information about space so that we can write our own.
Year 6	In English this week we have been focusing on 'the Scottish play' Macbeth. We have written about Macbeth's character changes and worked in groups to act out Act III Scene IV—The Ghost of Banquo.
