## Spotlight on Year Reception

There's definitely been a theme in Reception this week—reading!  
We enjoyed our trip to the library and enjoyed reading with our Year 6 buddies on World Book Day!

## School Council Matters...

Thank you so much to everyone who brought in textiles and soft toys last week as part of our School Council Recycling Project! We raised £196.50 which will go towards improving our outside resources!

### A note from the Headteacher....

Dear parents,

Many thanks to our whole school community for ensuring that all children, parents and staff have been able to access school this week whilst experiencing the wintery weather. We have achieved a balance of playing in the snow whilst also sensibly keeping our children warm!

Thanks to all our parents who are parking on the front carpark when arriving for the breakfast club/nursery. This has really helped free up parking on the rear car park for staff.

Congratulations to our wonderful athletics team who represented our school this week in Blackpool as part of the Lancashire games competition. All the teachers spoke about how well the children competed with the children finishing in sixth place overall.

Wishing you a warmer weekend,

Mr P Bates

## Curriculum News

Each week the staff will select one aspect of the curriculum the children have particularly enjoyed and share this with you. Please talk to your children about what they have been learning in school:

Reception	Please see spotlight work.
Year 1	This week we have been busy adding and subtracting. We have investigated plants and watched our seeds grow.
Year 2	This week we have been learning about adding and taking away when we need to exchange! Tricky, but we have had a great time! We also wrote our own riddles.
Year 3	What fun we had on World Book Day this week. Sharing our favourite books with our friends in Year 2 and Year 5.
Year 4	This week we have been focusing on noun phrases and identifying features of a newspaper!
Year 5	This week, Year 5 have worked very hard on their Dragon's Den pitches. We also visited some younger children to share our bedtime stories for World Book Day.
Year 6	We have been continuing our detective fiction work on 'The Blurred Man' making predictions and discussing clues.
