"Loving God In All We Do."

Spotlight on

Year 4

This week, Year 4 have been writing their own scripts from the film Harry Potter. The children had to watch the 'Troll in the Dungeon' scene and make notes focusing on the event, dialogue and stage directions. After that, the children followed a success criteria guiding them to write their own version of a script including a title and cast. Fantastic effort from all the children.

Also, we have been working towards History Day watching a wonderful and moving cartoon about the soldier's fight in WW1. The children have thoroughly enjoyed learning facts about the war and creating fantastic clay poppies for the memorial which will be created next week.

Message from the Headteacher

Dear parents,

Excellent team work and skilful football resulted in our Year 6 boys coming 'runners up' in the 'West Lancashire Liverpool Cup' competition. The boys won all six of their qualifying matches, followed by a tense semi-final which was won on penalties. We lost to an excellent team in the final. Parental support was exceptional and all ten children left the competition feeling extremely proud of their achievements. A great end to the half-term.

Many thanks to Father Boniface and our Year 3 children for preparing and leading Mass yesterday. We are blessed in school to have both Father Boniface and Father Godric leading our school family.

Parents' evening are taking place over the next two weeks. We will be using our bell system again to help ensure everyone keeps to their ten minute appointments.

The Reception Class intake window has opened for September 2019. If you are applying to our school or know any friends who have children due to start school next September, please encourage them to visit school and find out more about life at St Anne's.

Our school doors open at 8.45am with lessons beginning at 8.55am. It is important all children are in class on time ready to start the day. If children do arrive a little late they must go to the school office to be signed in.
