"Loving God In All We Do."

Message from the Headteacher

Dear parents, grandparents and parishioners,

The arrival of our wonderful children this week, coupled with dedicated and inspirational staff, has been fantastic. The school building is a strange place to be when there are no children present. One of the best parts of being a teacher is to welcome our children back into school and to listen to all the children's summer holiday stories!

We welcome our new reception children into school and know with confidence they will have the best possible seven years of primary education. We also welcome six new families into KS2 and know that they too will thrive during their time with us.

Many thanks to Mrs Preston, Mr Knowles and Father Boniface for organising Mass today along with the parents and grandparents who helped walk the children to church.

Wishing you all a wonderful weekend,

Mr P Bates
Headteacher

welcome back
