*"Loving God In All We Do."*

Message from the Headteacher

Dear parents,

I hope you all had a wonderful summer holiday and enjoyed the great sunshine and long summer days. All the building works over the summer holidays have now been completed. The building team worked tirelessly as did our caretakers and cleaning team to prepare our school for opening. We have returned to a transformed school building which we can all be extremely proud of. All our classrooms have been fitted with the latest interactive technology. This will greatly enhance teaching and learning. The completion of our computing suite and library, along with continued specialist music tuition and sporting opportunities, enables every child at St Anne's to be provided with the best primary education.

We welcome two new teachers to school. Miss Arands and Miss Allt will be teaching in Year 1 and Year 3. I know our school family will make them both feel extremely welcome.

Our school doors open at 8.45am with lessons beginning at 8.55am. It is important all children are in class on time ready to start the day. If children do arrive a little late they must go to the school office to be signed in.

Mr P Bates  
Headteacher
