

ST Anne's embraces and encourages all children, regardless of their academic ability. The school nurtures each and every child and as a result, children feel valued and a part of the school community. The staff are warm, friendly and welcoming and definitely 'go the extra mile' for the benefit of our children. St Anne's is just fabulous!

St Anne's is a lovely friendly environment for our children with a great team of teachers!

Thank you for giving my children a place where they feel protected, safe and happy.

For me at St Anne's, I can see my children becoming confident learners and well-rounded individuals that will be prepared for anything. Thank you!

Whilst St Anne's has no doubt had some turbulent times, the resilience and dedication of the staff team has been the key to the recent developments of the school. St Anne's gives children safety, security and knowledge - the fundamental platform for emotionally healthy and independent children to prosper.

At St Anne's every child matters!
